The International Conference of the UNESCO Associated Schools Network : Contributing effectively to the implementation of SDG 4 and Education 2030 opens on 8 April 2017 and this conference will last three days. Mr Yue Du, the Secretary-General of National Commission of the People's Republic of China for UNESCO stressed in this video that being a member of this network means joining in an international mechanism officially. To measure the development of our education with this set of rules will bring a lot of benefits for our education.

The conference was opened with a welcome address by the Deputy Governor of Hainan Province, Mr Lu Wang and he said that Hainan Province is willing to build an International Exchange Center for ASPnet would be set up in Sanya as soon as possible. Ms Sabine Detzel, the International Coordinator of the UNESCO Associated Schools Network (ASPnet) emphasized that the Education 2030 has presented higher goals for global education. UNESCO ASPnet shall take the lead in achieving the SDG 4 and further disseminate its pedagogies and concepts. Mr Yue du highlighted that China would like to go hand in hand with other countries, contributing to the development of ASPnet to bring it to a higher level.
